RE: "Ahern Plans Spaghetti Bowl Tower", Review Journal Business Article, 7/18/06

When considering zoning and variance for this project, the Planning Commission should carefully examine the impact on the general public.

1. If the Commission grants the frontal setback changes from 20 feet to 10 feet, we'll have another "Molasky fiasco" on our hands. Molasky, a private corporation, has closed off two lanes of Grand Central Parkway/Ogden, a public street, for months now due to reduced frontal setback. This is not fair to the public—a mega-gain for Molasky, a mega-inconvenience for the public. We shouldn't have to repeat this inconvenience again.
2. Allowing Ahern to fund his own traffic-impact study is a joke! You can guess with certainty the study's final results. An unbiased, third party consultant paid by the city would better serve the general public. Maybe we'll get a more realistic look at projected traffic increases on our already overcrowded roadways.
3. Ahern's offer to Metro Police to use the Helipad (if Ahern's Helipad is approved) smells a little "fishy". Anything to get a variance approved.

Thank you for allowing me to present my concerns about growth and traffic congestion and how it inconveniences the general population.

Subject: Ahern Corporate Center
ZON-13896, VAR-13900, SUP-13902, SDR-13904, & SUP-13903

To Whom It May Concern:

I am a homeowner in The Rancho Manor Tract, which is not too far from the proposed project. I have attended two presentations that Ahern has put on to show interested parties exactly what they're plans are.

I am personally very much in favor of it, as our many of the Rancho Manor Homeowners Assoc. members. Some would like to have it a little lower but are still in favor of Ahern getting approved.

It will CERTAINLY improve the proposed area, namely Martin Luther King and Bonanza, and hopefully encourage others to consider "like" projects in this area.

Ahern has been in business in the same location for many, many years, very successful, a great employer and a wonderful neighbor. Please give them every consider to proceed with their proposed project.

Thank you for your time. I remain yours truly, Patricia Welsh, 1920 Collins Ave., Las Vegas (385-3097)

Patricia A. Welsh
